

Gladys Taylor, PhD was a busy professor and world traveler when her mom suddenly became ill and needed special care. "Without question I wanted to care for my mom. I didn't know there was a title for giving care but I did what I had to do".

Dr. Gladys Taylor, PhD
Keynote Speaker

For the very first time, Dr. Taylor shares her incredible story as caregiver to her mom, son and famous daughter, brain scientist, Jill Bolte Taylor, author of the best seller, *Stroke of Insight*.
